RMB RAISES THE NAMIBIAN FLAG ON THE JSE

RMB acts as joint lead manager and bookrunner for inaugural R850m sovereign bond

RMB, together with FNB Namibia, is proud to have been appointed joint lead manager and bookrunner for the inaugural issuance by the Republic of Namibia in the South African debt capital market. This is a ground-breaking issuance for the common monetary area as this is the first sovereign other than the National Treasury to list bonds on the JSE. It enables the Republic of Namibia to diversify its funding sources and establishes a benchmark for other Namibian issuers.
