# CEMENTING NAMIBIA'S FUTURE

Traditional values. Innovative ideas.

**THINK  
INFRASTRUCTURE  
FINANCE.  
THINK RMB.**

**RMB Namibia acted as mandated lead arranger, sole lender and transactional banker in the refinancing of the Ohorongo Cement plant.**

In one of the largest single infrastructure investments in Namibia's recent history, RMB Namibia refinanced Ohorongo Cement. The N\$3-billion cement plant, the most modern in Africa, is a cornerstone of Namibia's "Growth at Home" - and industrialisation strategies in support of NDP4 and Vision 2030.
